

## HTE electronic hand dryer

That's how work evaporates.

The HTE electronic is a hand dryer which is a real hit, not least because of its extraordinarily quiet operation. An intelligent IR proximity sensor switches the unit ON, when you hold your hands 6 to 12 cm below the air outlet, and OFF again when you remove your hands. The robust casing protects the delicate technical interior against damage. Its design also prevents objects, such as cigarette butts, from being deposited on the casing.

### The most important features

1800 W connected load

HTE 4 with casing made from impact-resistant plastic

HTE 5 with a diecast aluminium casing

Air flow rate 146 m<sup>3</sup>/h

220 - 240 V

Operating noise 54 dB(A)

HTE 4 in alpine white

HTE 5 in signal white

Type	HTE 4	HTE 5
Type	HTE 4	HTE 5
Part no.	073007	073008
Connection output	1,80 kW	1,80 kW
Height	250 mm	266 mm
Width	238 mm	257 mm
Depth	230 mm	230 mm
Specification		
Power connection	1/N 220-240 V 50 Hz	1/N 220-240 V 50 Hz
Weight	2,50 kg	4 kg
Colour	white	off white, RAL 9003
Casing material	Plastic	Diecast aluminium
Air flow rate	146 m <sup>3</sup> /h	146 m <sup>3</sup> /h
Protection (IP)	IP23	IP23
Protection class	II	II
